DELAND'S HISTORIC 120 YEAR OLD FISH BUILDING

Constructed in 1887, this building was originally Miller's Hardware. In addition to hardware, Miller's sold feed & seed and, also operated the Clyde Line Steamboat office from the rear of the building.

The building was one of the first brick commercial constructions after a fire destroyed the 100 block of Woodland Boulevard on both sides in 1886.

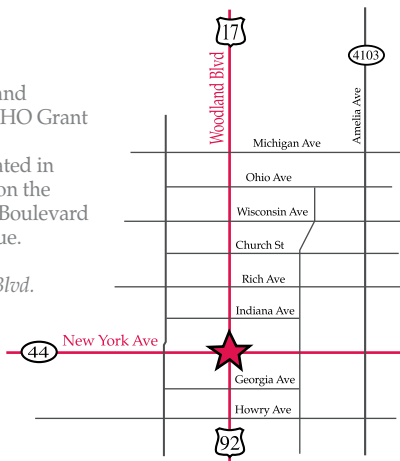

In 1925, Bert Fish, attorney and politician, bought the building from Miller for \$150,000.

DeLand's historic Fish building will house the Florida Museum for Women Artists. Located on the second floor, the museum will feature 7,000 square feet of galleries, classrooms, a coffee shop, and a gift store.
